

Guidelines for Stash to Treasure Donations:

Please contribute fabrics from your stash to sell at the show. These will be donations and all proceeds will go to the guild.

. *Miscellaneous scraps of fabric* are welcome. These will be put in a bin and the buyers will comb through the pile and fill a bag for a predetermined price.

. *Yardage of fabrics* will be sold individually. Please donate these marked with the size. You can pin this information on the folded piece.

. *Precut bits and pieces* - Please mark these and put them in a baggie with a description, e.g., 4 in. squares, 2 in. strips, etc. Marking how many would be helpful also.

. *Scraps with a purpose* - These might be pieces (left over from an I Spy quilt, a landscape quilt, or a theme quilt, for example) that should be kept together.

. *Notions and trims* - again mark a baggie with descriptors so that we won't have to mark them again. These can be partial spools of thread, piping, bias tape, yarn, ribbons, etc.

If you already have bags of fabric to donate and don't have the time to mark or sort them, please be assured that we will take them gladly and do it for you. Any help will be appreciated.

Donations can be picked up at the monthly guild meetings by a member of the Stash to Treasure committee. We are hoping that this will be a good fundraiser for the guild since we plan to sell the fabric inexpensively.

Any items not sold at the show will be donated to charity
